

DELUX ECO
ELECTRIC TOWEL
RAILS

DXTR7040SS

DXTR7040MB

DXTR7040SST

Built-In Timer

The Delux eco electric towel rails were designed to maximise energy efficiency and performance. The Delux eco maintains a constant 55° using a very small amount of power, making it one of the most energy efficient electric towel rails on the market.

- Stainless Steel Frame
- Carbon Steel Frame (Matt Black)
- Energy efficient 70W/85W(MB) output
- Constant Temperature 55°C
- Cable pre-wired 1 metre
- 7 Heating bars
- IP44 Splashproof
- CE UKCA
